

Neuroscience & Physiology Area PhD Course Requirements Form

For: _____

First Year Department Requirement:

Course #	Description	CH	GRAD Office Use
BIOL 66200	Ethics	1	
BIOL 66300	Oral Presentations	1	

Scientific Writing

Course #	Description	CH	GRAD Office Use

Quantitative Analysis in Biology

Course #	Description	CH	GRAD Office Use

Advanced Topics Seminar

Course #	Description	CH	GRAD Office Use
BIOL 69600	Seminar in Neuroscience and Physiology	1	

Area Required/Selective course listing: (Total ≥ 9 credit hours)

1. Cellular and Molecular Neurobiology

Course #	Description	CH	GRAD Office Use

2. Systems Neuroscience and Physiology (Total CH must ≥ 3 CH)

Course #	Description	CH	GRAD Office Use

3. General Neuroscience and Physiology (Total CH must ≥ 3 CH)

No duplication of courses allowed

Course #	Description	CH	GRAD Office Use

Master Courses for Approval Form Attached

2nd Department Seminar Requirement (to be completed after 2nd year)

Course #	Description	Credit Hour	GRAD Office Use

Student Signature _____
