

CONGRATULATIONS

CLASS OF 2020

SCROLL TO MEET OUR GRADUATING SENIORS

Department of Biological Sciences

HENA HARESH BRUCIA

AFTER GRADUATION...

I plan to start my 5 year
program at Tulane Medical
School in New Orleans,
Louisiana.

JASMINE STEPHEN

AFTER GRADUATION...

I will be attending
Purdue's Veterinary School
of Medicine.

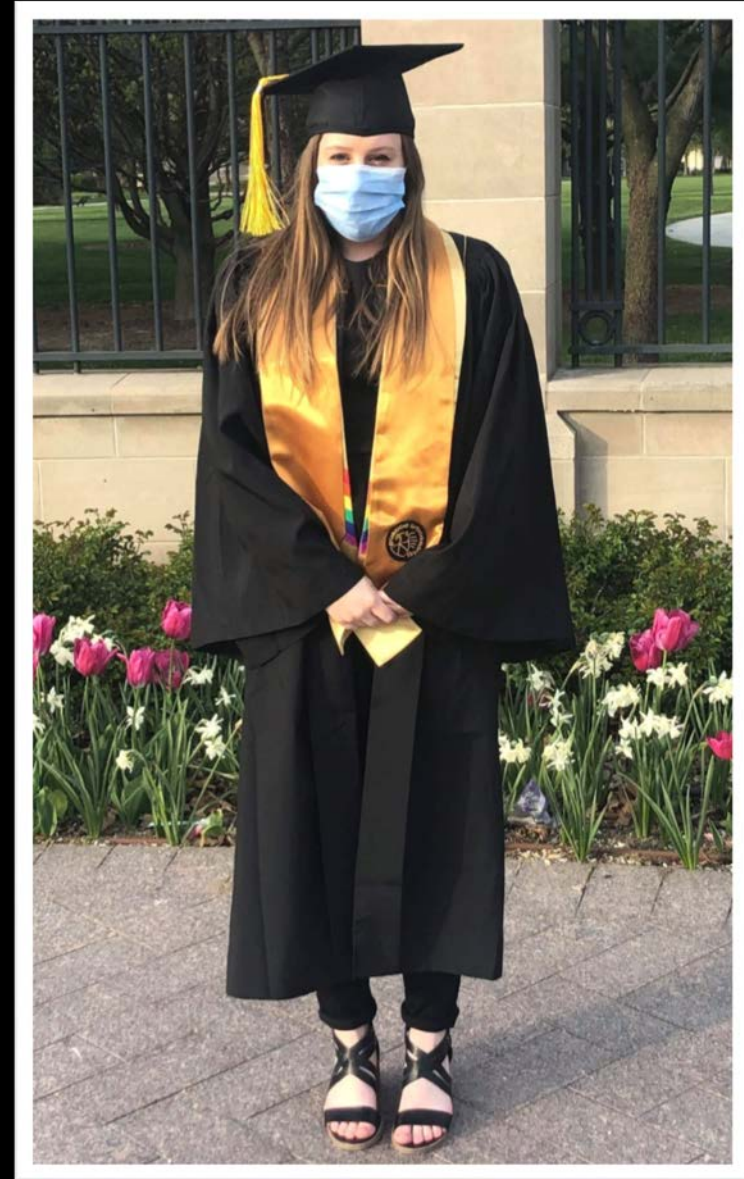

HANNA MARIE HIMES

My name is Hannah Himes and I have a degree in Biology with minors in Chemistry and Organizational Leadership. I loved my time at Purdue and that I got to be a part of so many peoples' lives. This truly is the start of my career as a biologist and I hope that the future holds many opportunities for growth and happiness.

Department of Biological Sciences

MAYA M. BLACK

AFTER GRADUATION...

I have been awarded a Fulbright, so I will be going to Madrid, Spain as an English Teaching Assistant.

YIWEN ZHANG

AFTER GRADUATION...

In the future I plan to apply
to graduate school in the
field of behavioral
neuroscience.

Department of Biological Sciences

RACHEL M. MAIBACH

AFTER GRADUATION...

I will be attending A.T. Still University Kirksville College of Osteopathic Medicine and obtaining my medical degree. In the future I hope to work in healthcare improvement for impoverished communities.

Department of Biological Sciences

LAURA SROKA

AFTER GRADUATION...

I will be working with Catalent as a Gold Associate in their biologics track in Bloomington IN, Madison WI, and Baltimore MD. I hope to work in research and early development to create vaccines and improve people's quality of life.

Department of Biological Sciences

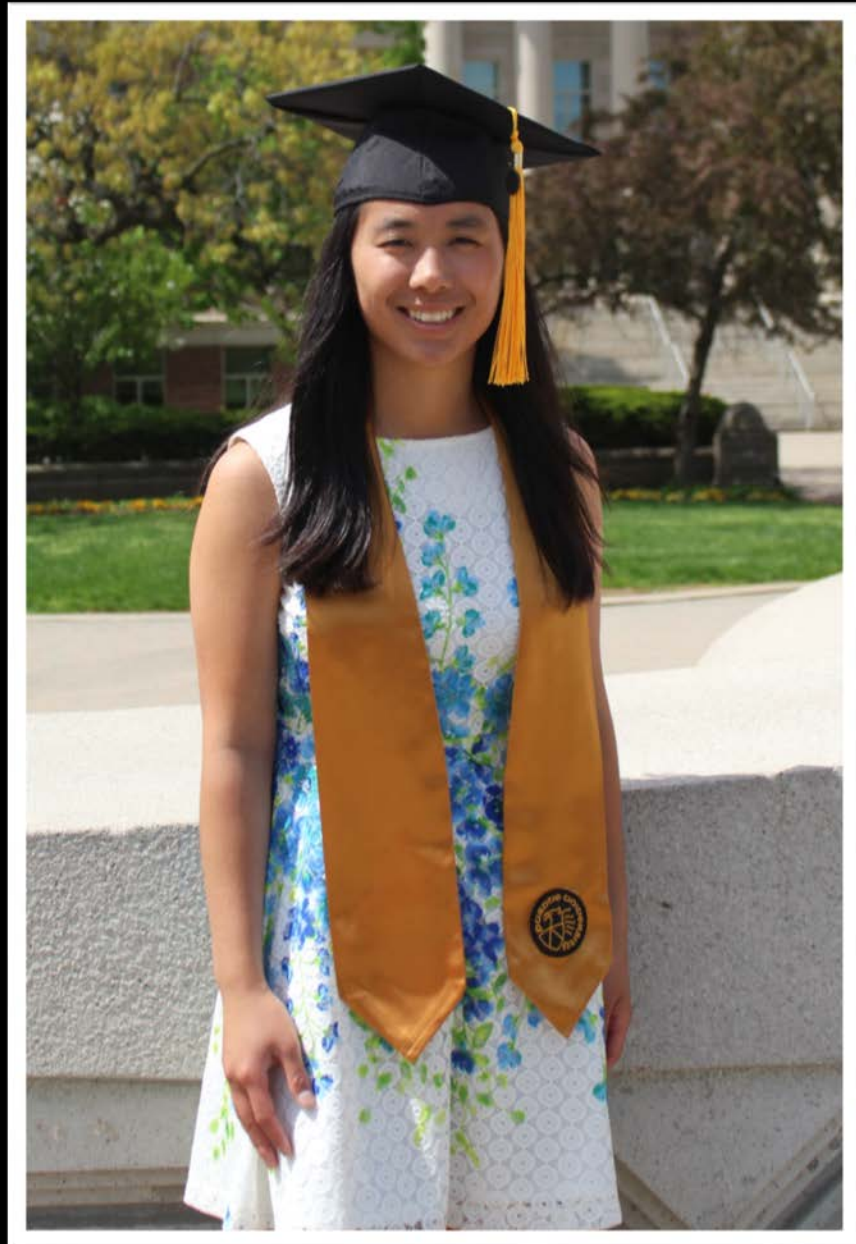

DARAH J. WASKIN

AFTER GRADUATION...

I will be attending the
University of Pennsylvania
for their accelerated
nursing program.

Department of Biological Sciences

ASHLYN HENIFF

AFTER GRADUATION...

I will be starting veterinary medical school at North Carolina State University to pursue a career in zoological medicine.

Department of Biological Sciences

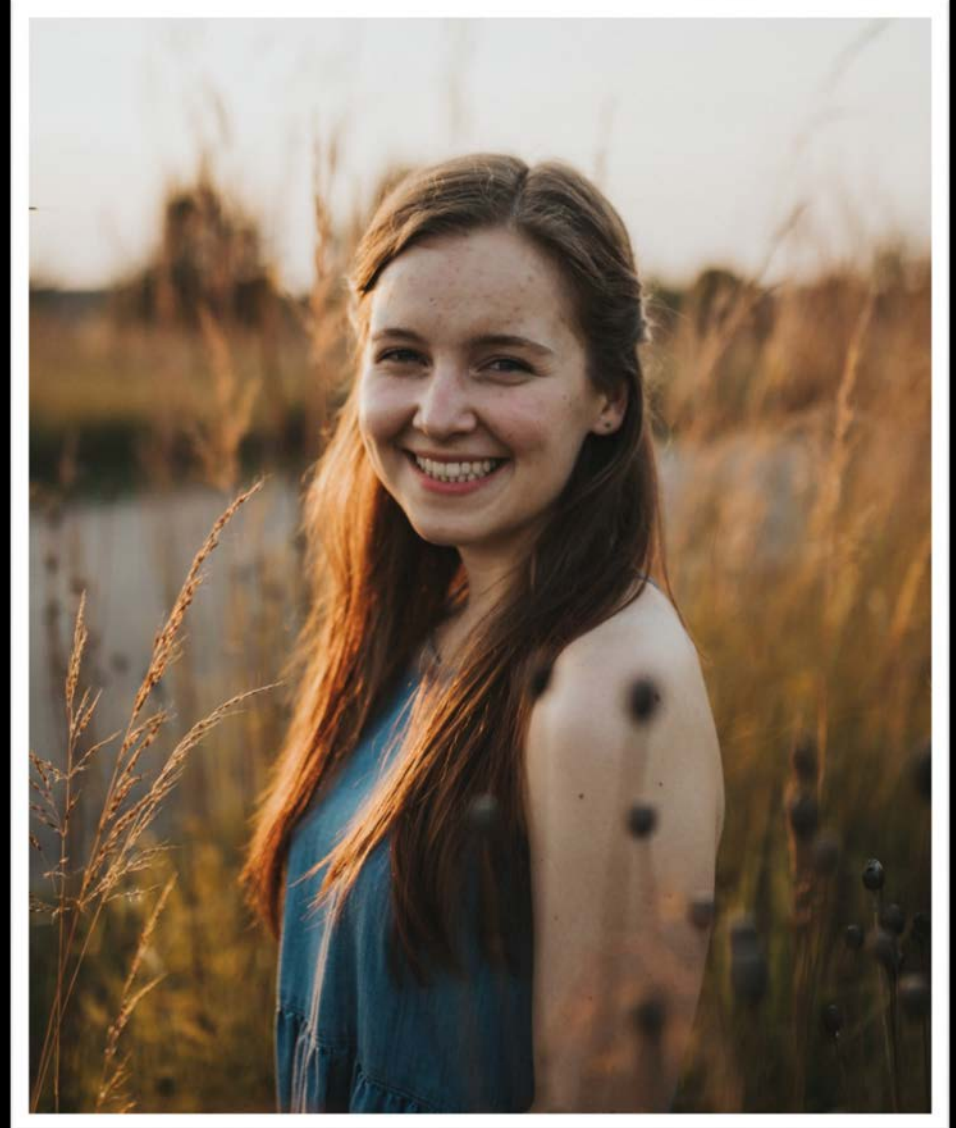

ZOE ELISE POHL

AFTER GRADUATION...

I will be joining Pathologists' Assistant program at Drexel University in Philadelphia. I am excited to pursue this master's degree and hope to one day work in surgical pathology.

Department of Biological Sciences

DEEPTHI THADASINA

AFTER GRADUATION...

I will be in Indianapolis at
IU School of Medicine.

HANNAH RENEE RHOADES

AFTER GRADUATION...

I will be working as a
Quality Control Chemist
for Elanco Animal Health.

MAXWELL SHRAMUK

AFTER GRADUATION...

My future plan is to obtain
a Masters of Science
Degree in Biology at
Boston University.

ALLISON H. AZZANO

AFTER GRADUATION...

I will be working for
Abbott Laboratories as an
Associate Scientist in their
Research and
Development Department.

Department of Biological Sciences

NATALIE BREJCHA

AFTER GRADUATION...

I will be attending Purdue University College of Veterinary Medicine to become a small animal veterinarian.

ZHIHAN YANG

AFTER GRADUATION...

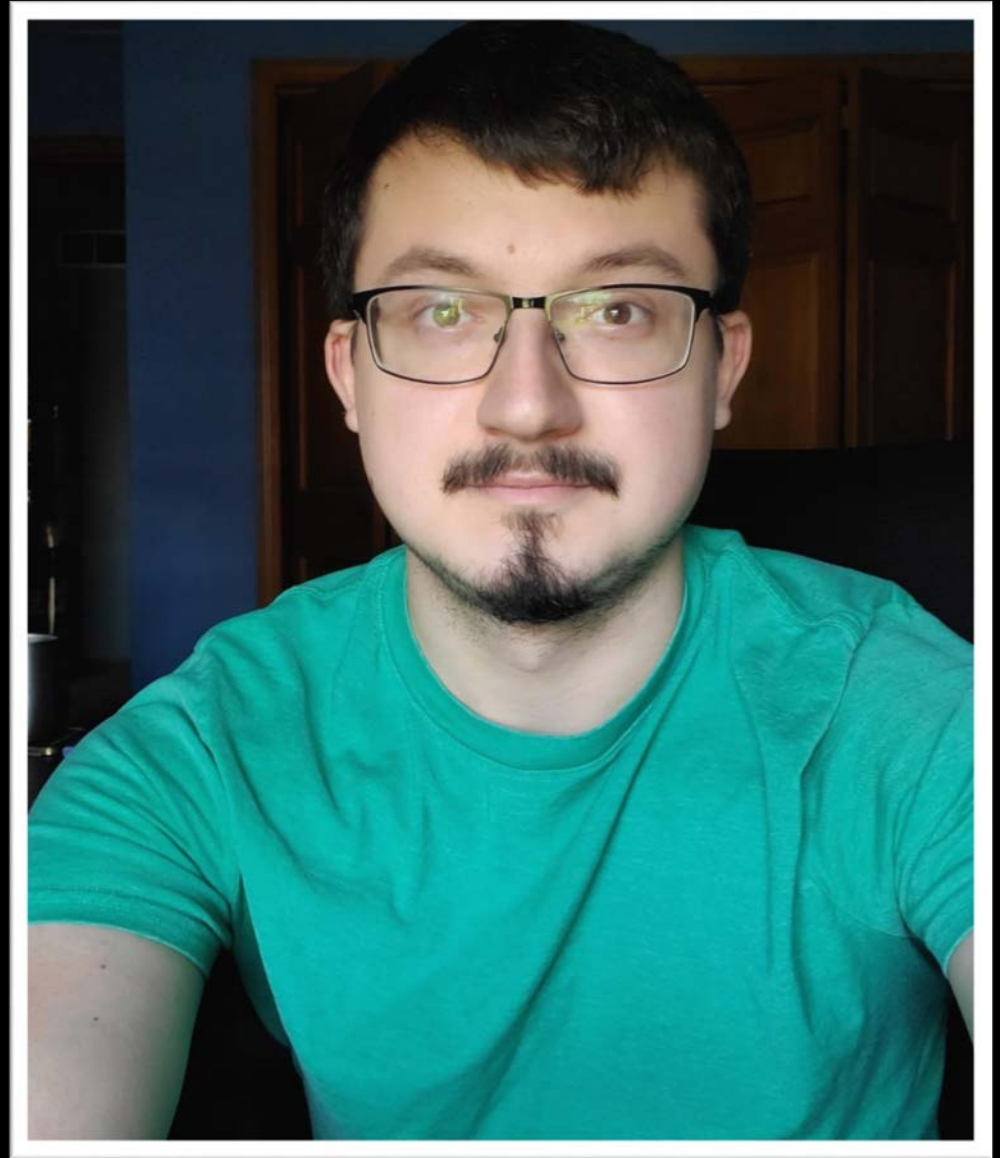

I will be attending Grad School at the University of Tokyo, doing research in bioengineering and immunology. In the future, I will devote myself to researching a treatment for diabetes.

AVERY P. RAICA

AFTER GRADUATION...

I plan on pursuing a career
in pharmaceutical
research.

ALEXIS NICOLE PITTMAN

AFTER GRADUATION...

I am going to the
University of Florida to
complete a Masters
degree in Wildlife Forensic
Sciences and
Conservation.

Department of Biological Sciences

JEREMY FELTEN

AFTER GRADUATION...

I will be pursuing a career
in the science/medical
field and applying to
medical school.

ANGELINA INGRATTA

AFTER GRADUATION...

My plans are to attend Chamberlain College of Nursing to obtain my BSN and become a surgical nurse at a hospital near my hometown.

Department of Biological Sciences

JEANNINE L. TOTH

AFTER GRADUATION...

I will be moving to
Connecticut to work as a
microbiologist for Unilever.

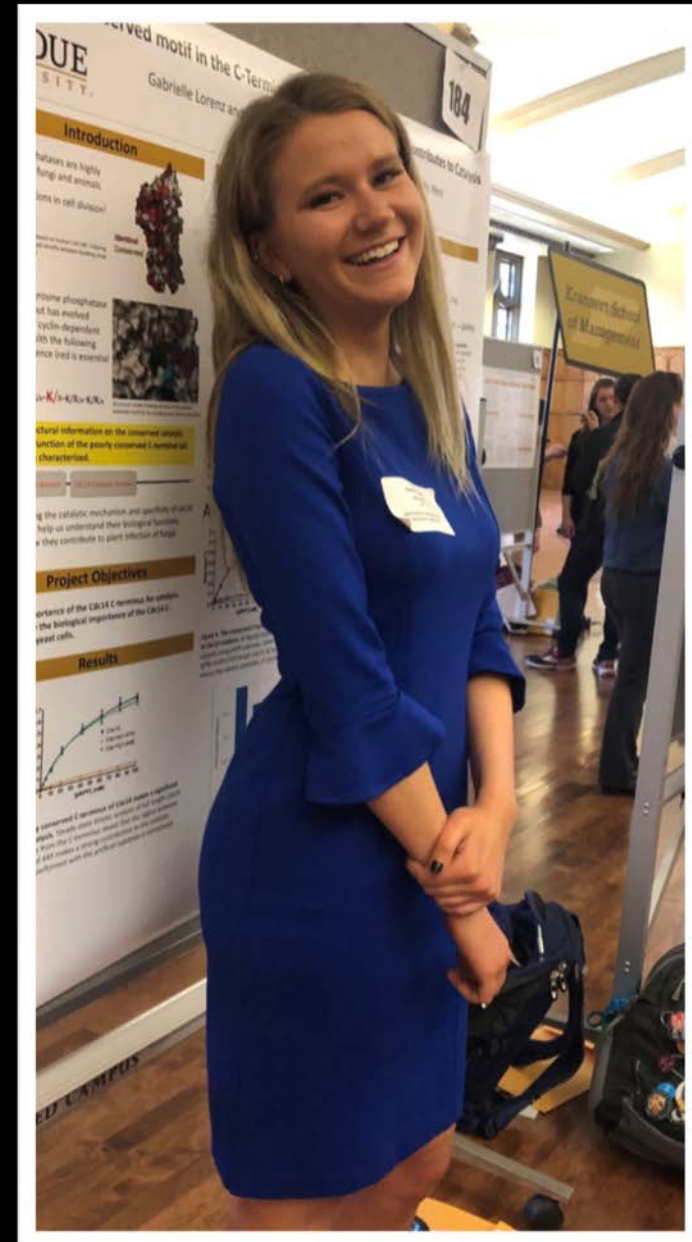

GABRIELLE LORENZ

AFTER GRADUATION...

I will be working for Merck, in Boston, performing oncology research. In 2021 I will begin a Ph.D. program for biomedical engineering.

Department of Biological Sciences

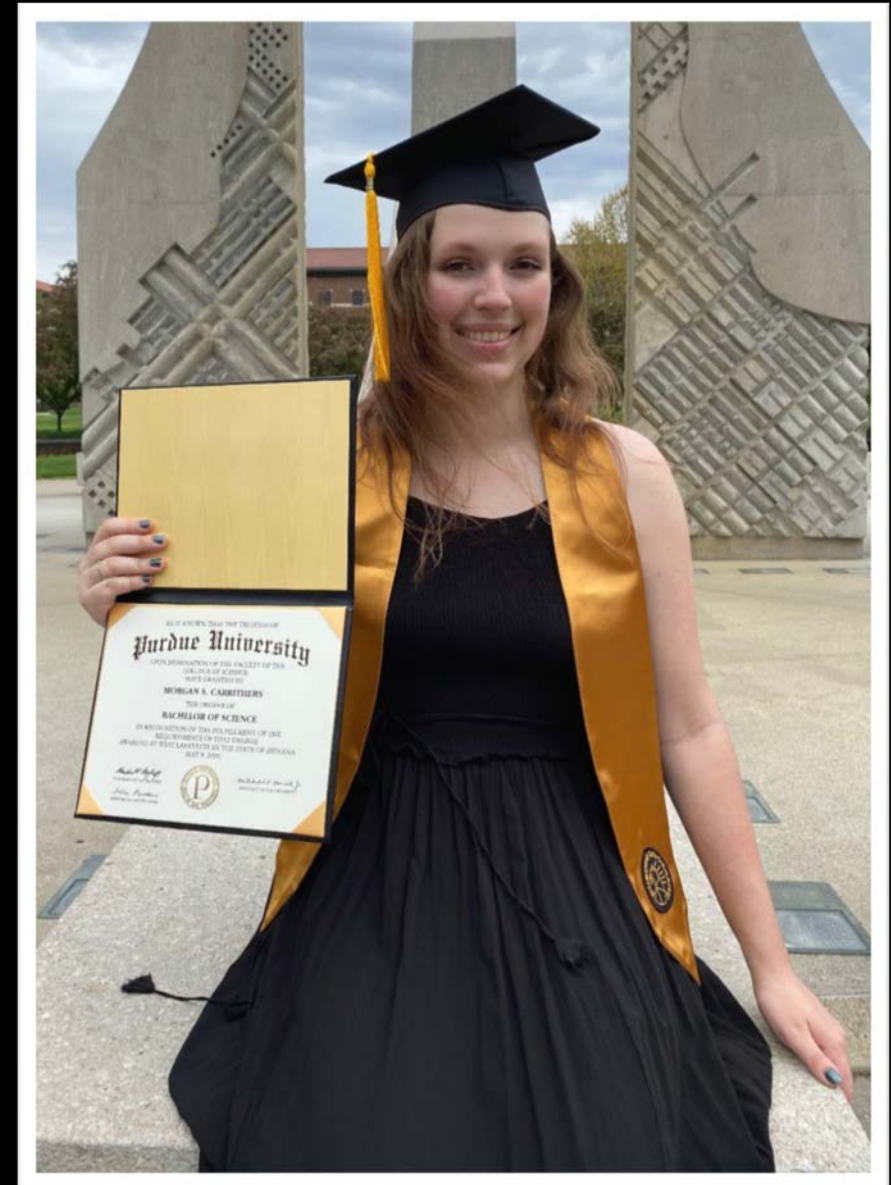

MORGAN CARRITHERS

AFTER GRADUATION...

I will be moving to
Rockford IL to work as a
Process Scientist for
Thermo Fisher Scientific.

Department of Biological Sciences

MAKAYLA SCHACHT

AFTER GRADUATION...

I will be seeking jobs to
assist with COVID-19
testing and other positions
in the field of
biotechnology.

RODRIGO M. FERREIRA

AFTER GRADUATION...

I will be pursuing a
Masters' degree in
comparative pathobiology,
under Dr. Uma Aryal. I will
be specializing in
biochemistry, with a focus
on mass spectrometry and
proteomics.

MANJARI S. LOKENDER

AFTER GRADUATION...

I will be doing research in
biochemistry at the IU
School of Medicine and
applying to medical school

KANEEKA VENKATRAYA SHENOY

AFTER GRADUATION...

I will be working at a
BioPharma company on
the west coast.

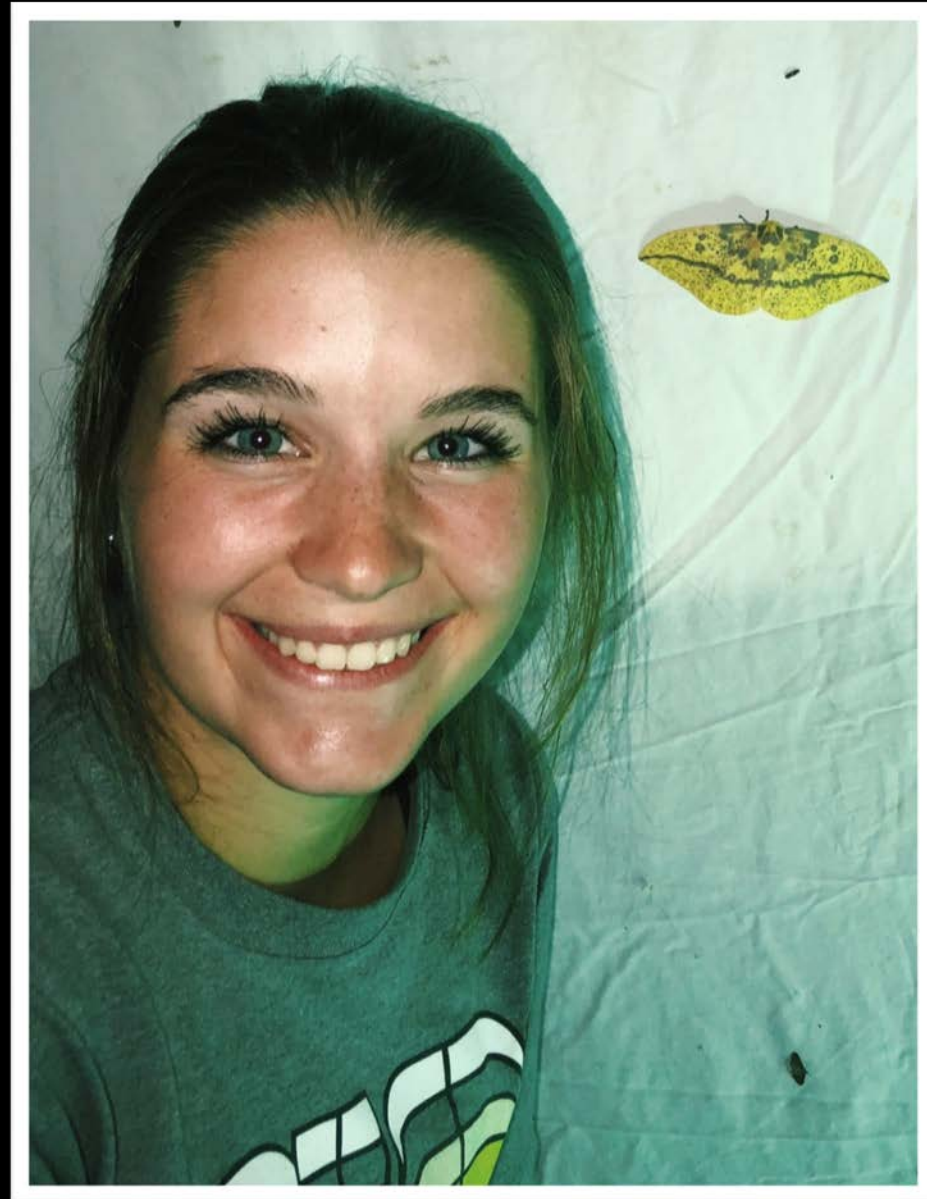

Department of Biological Sciences

ELISABETH JOLL

AFTER GRADUATION...

I will be working in an
entomology lab here at
Purdue!

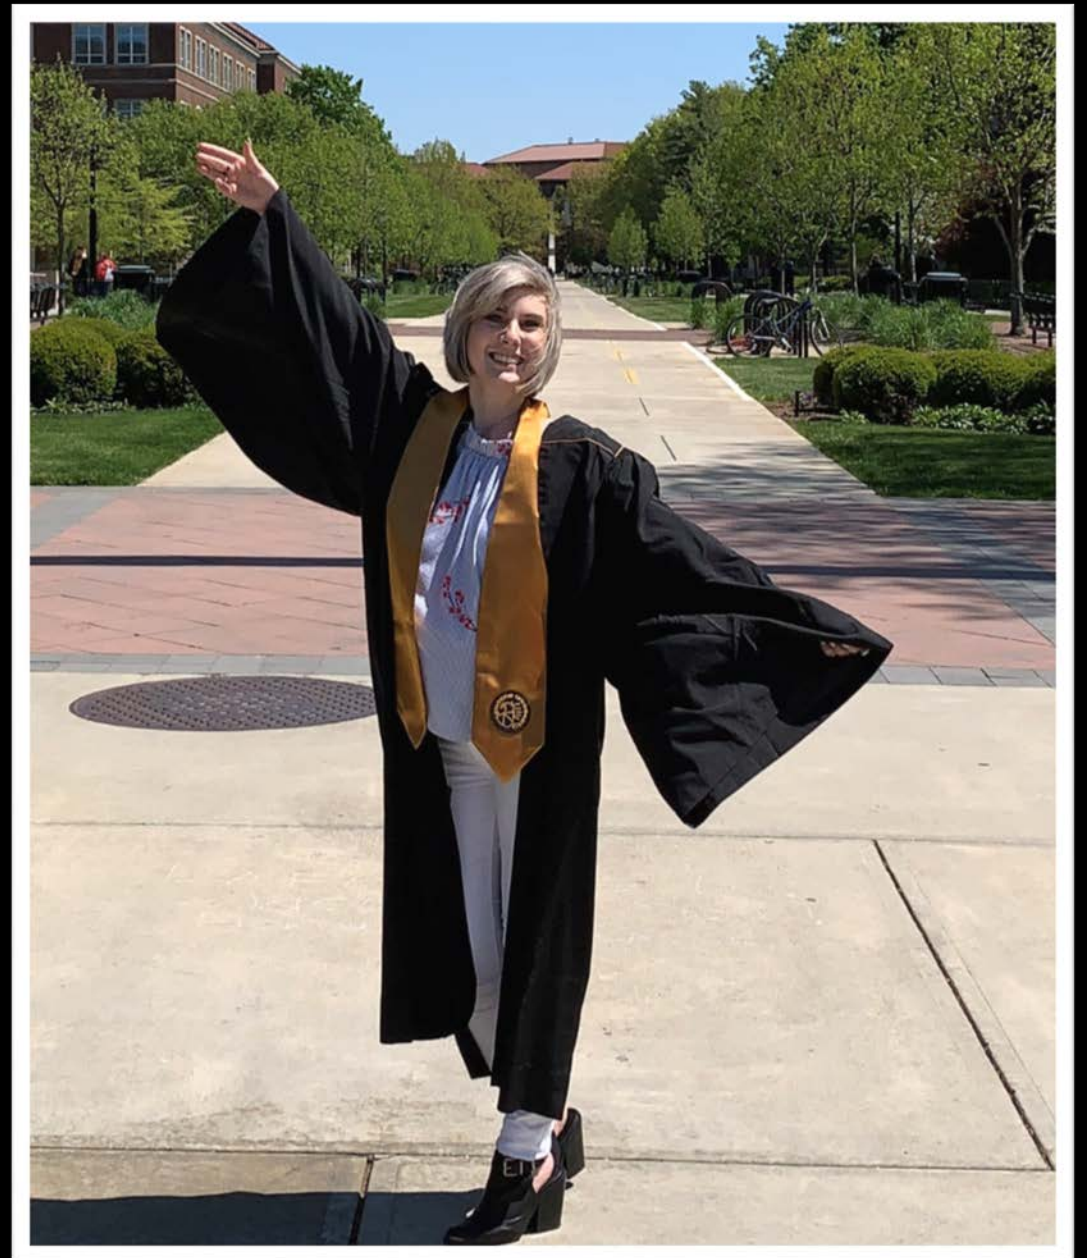

SARAH ZELLI

AFTER GRADUATION...

I will be attending
Veterinary School at the
University of Missouri.

Department of Biological Sciences

SABRA WALKER

AFTER GRADUATION...

I will be continuing to
work in a Botany research
lab here at Purdue
throughout the summer.

Department of Biological Sciences

NICHOLAS HUX

AFTER GRADUATION...

I will be attending the IU
School of Medicine!

PETER GILMARTIN CLARK

AFTER GRADUATION...

I will be going to Wilkes University to complete an accelerated one year Nursing degree as well as joining the 69th Infantry in New York National Guard as a platoon leader.

Department of Biological Sciences

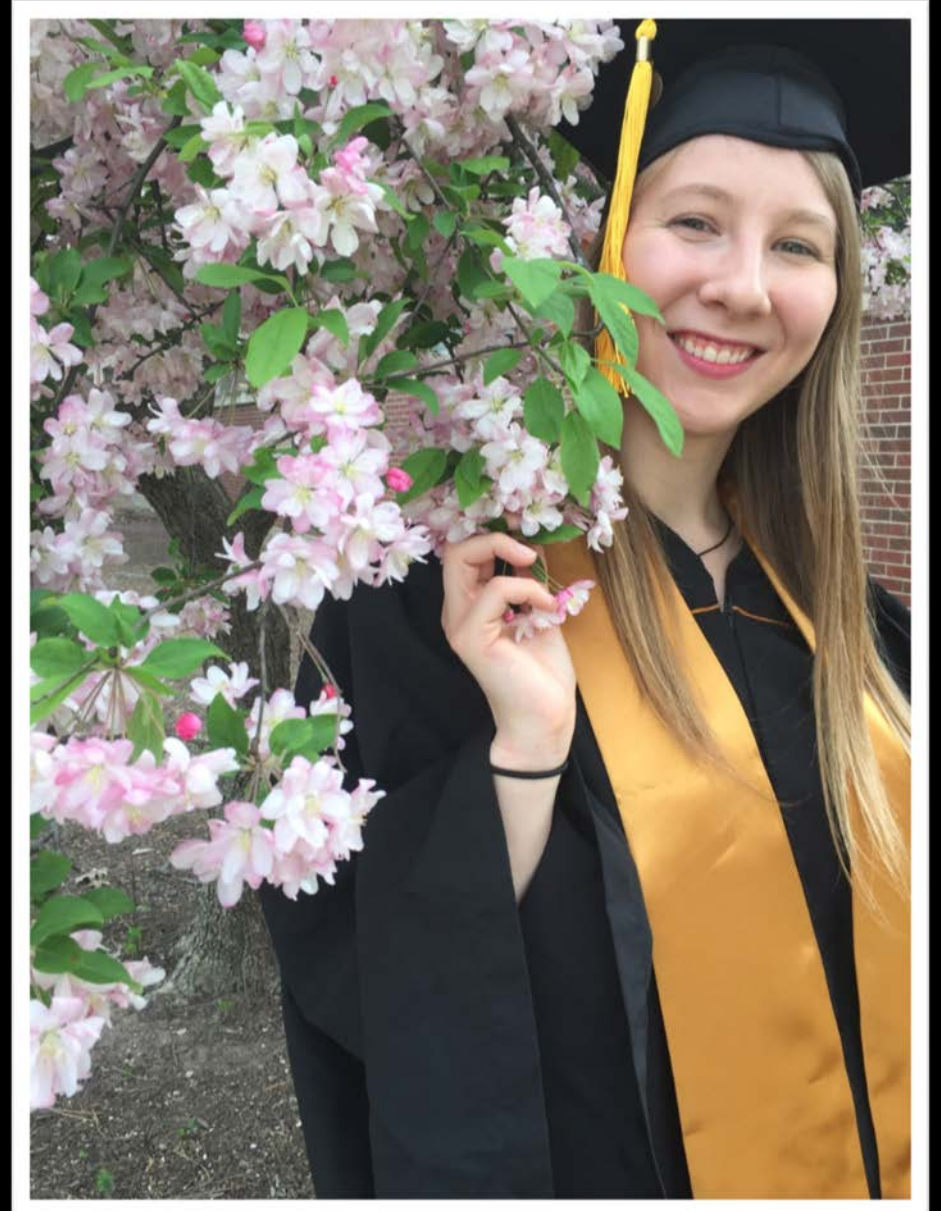

EMILY GODOLLEI

AFTER GRADUATION...

I plan on applying to graduate programs to earn a PhD in Ecology or another related field. I would love to return back to academia and teach one day.

Department of Biological Sciences

SHELBY L. BALLARD

AFTER GRADUATION...

I will be attending Indiana University School of Medicine with the intent of earning a Masters of Science degree in Anesthesia as a part of the Anesthesiologist Assistant Program.

Department of Biological Sciences

JASMINE E. RODNEY

AFTER GRADUATION...

I plan on working in the
healthcare field and
attending graduate school
in the near future.

EMMANDA MCKENZIE

AFTER GRADUATION...

I plan on moving to Madison Wisconsin to begin my career in science. I will be working at PPD as a full-time assistant scientist on their gene-cell therapy team.

Department of Biological Sciences

EMILY WHITE

AFTER GRADUATION...

I will be attending Indiana University School of Medicine as part of the MD-PhD program. As I transition into medical school, I hope to shift my focus to research on molecular targets pediatric cancers.

Department of Biological Sciences

AMANDA KOMASINSKI

AFTER GRADUATION...

I will be attending University of Georgia for an M.S. in Forestry and Natural Resources. I will be researching environmental policy and governance.

EMILY EVANS

AFTER GRADUATION...

I will be working on my physician assistant application as well as work in the healthcare field to gain patient care hours for PA school. I plan to attend PA school within the next two years.

RACHEL MORGAN BROKOVICH

Department of Biological Sciences

MELLANY WYNNE

AFTER GRADUATION...

I will be attending
Rosalind Franklin School
of Medicine to receive my
Masters in Biomedical
Sciences.

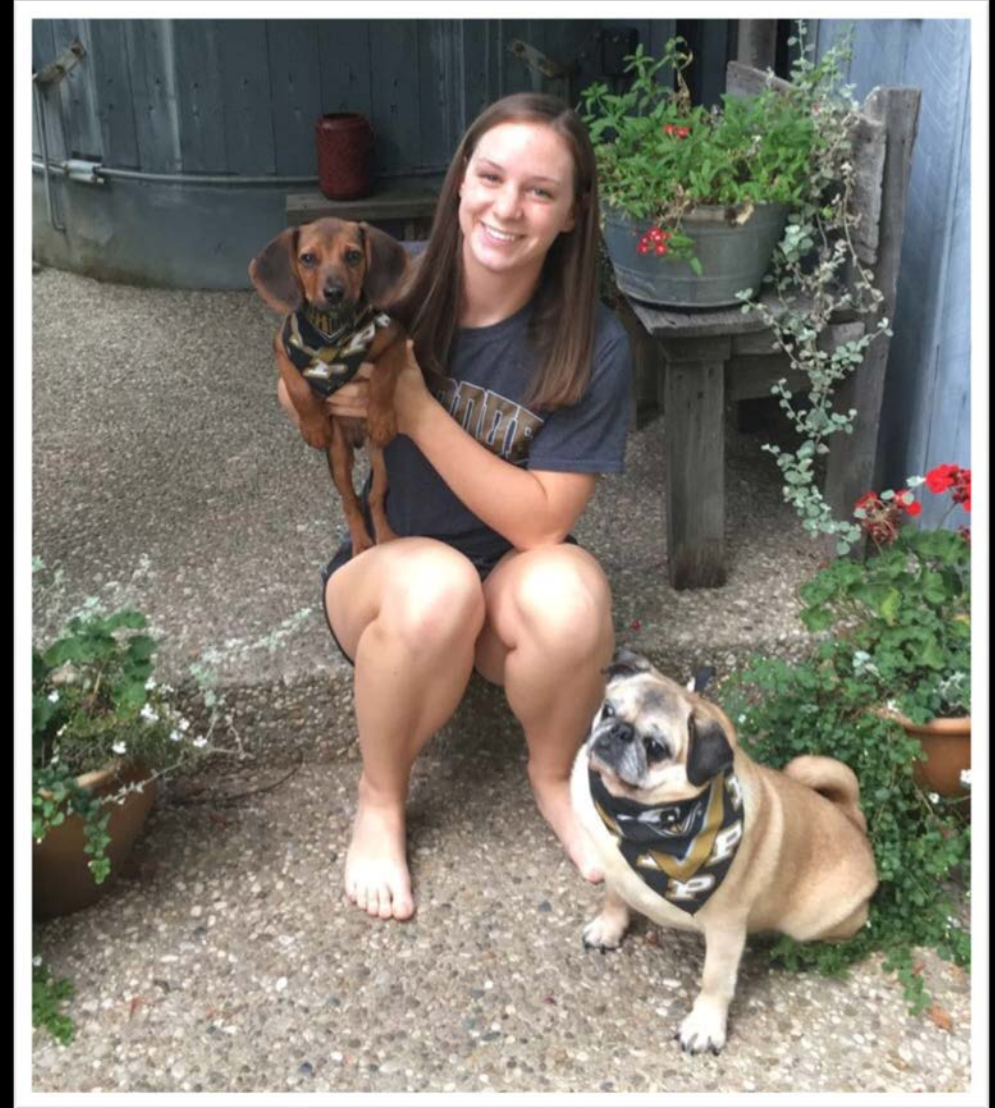

Department of Biological Sciences

JILLIAN GRANTZ

AFTER GRADUATION...

I am will be applying to graduate school to pursue an MS in Animal Science with a concentration in ruminant nutrition.

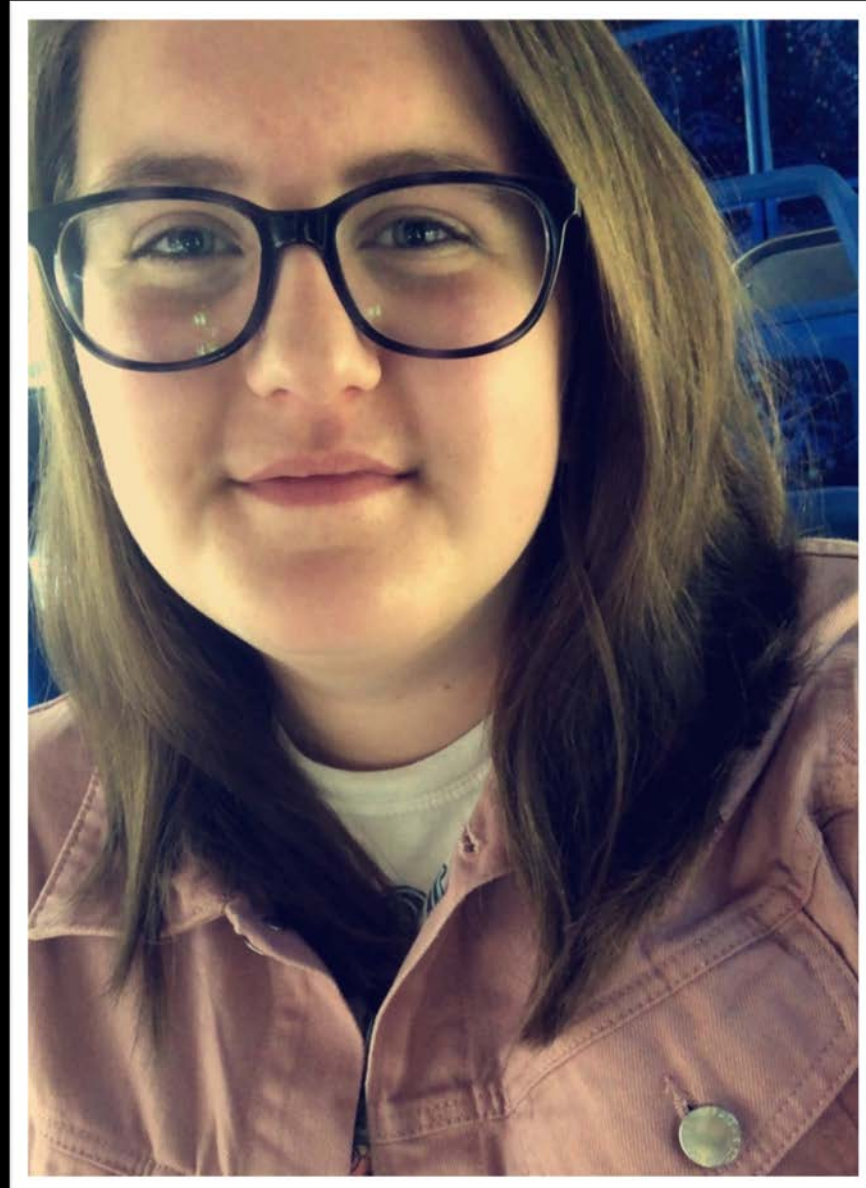

LAUREN BAKER

AFTER GRADUATION...

I will be working at
Tempus Labs in Chicago
as a Junior Clinical Data
Abstractor to curate data
from cancer.

Department of Biological Sciences

ERYN SALE

AFTER GRADUATION...

I will be spending a year in
Norway conducting
neuroscience research on
a Fulbright US Student
Program Grant.

RUHANI SANSOYA

AFTER GRADUATION...

I will be attending the
School of Medicine at
Indiana University this fall.

MICHAEL HERRERA

Department of Biological Sciences

COLIN G. HARRIS

AFTER GRADUATION...

I will be attending Indiana
University School of
Medicine.

PAULA PANDOLFI

AFTER GRADUATION...

I am going to pursue a
PhD in Bioengineering at
UCLA.

TOM HOLMAN

AFTER GRADUATION...

I am moving back home to San Diego where I will be studying for the MCAT this summer and taking on a role in healthcare.

ROSHINI MUDUNURU

AFTER GRADUATION...

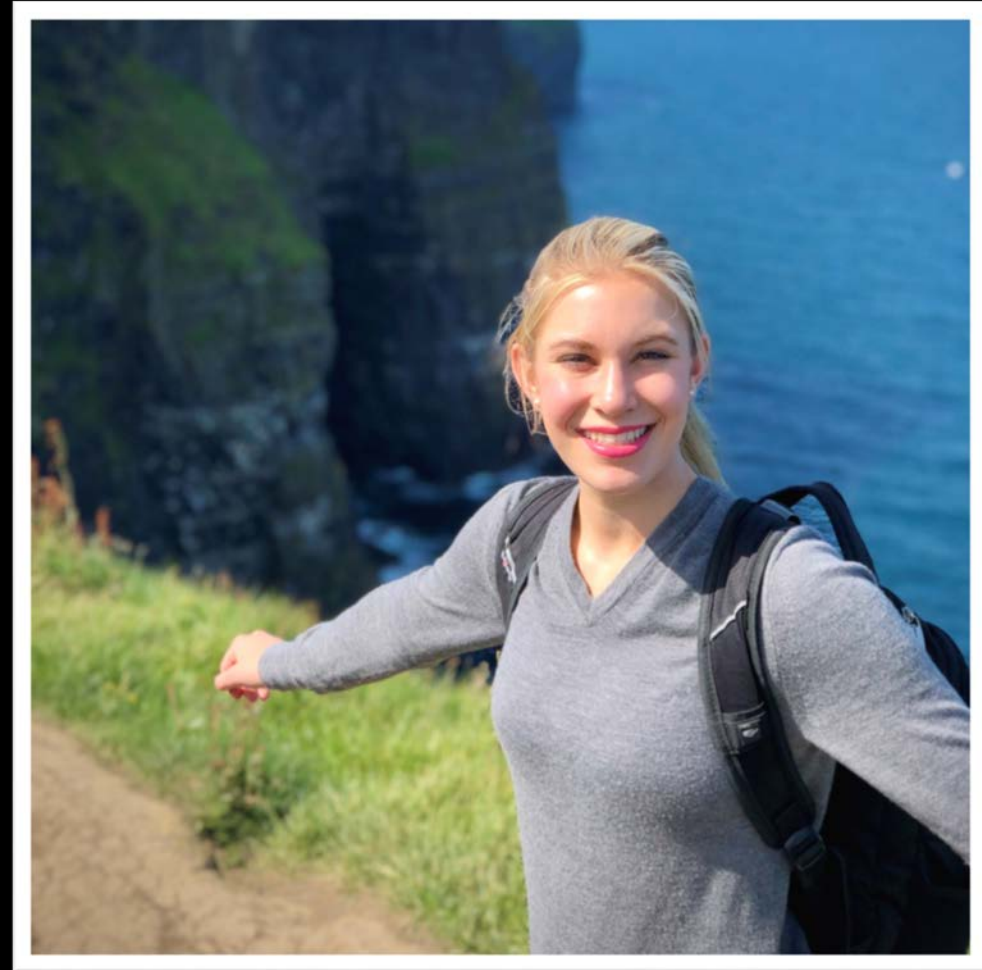

I plan on either attending medical school or possibly working as a clinical research assistant before applying to medical school.

KATARINA WUJEK

AFTER GRADUATION...

I will be attending a master's program in biology and then applying to medical school.

ASHLYN LYTHGOE

AFTER GRADUATION...

I will be doing an internship with the Conservation and Land Management Program under the Chicago Botanic Garden- I'll be working with the Forest Service at the San Bernardino National Forest starting in August.

Department of Biological Sciences

AMY XIAO

AFTER GRADUATION...

I will be working at a local hospital as a Patient Care Technician to gain more experience.

*SIYU
WU*

Department of Biological Sciences

KEVIN YOO SHIM

Department of Biological Sciences

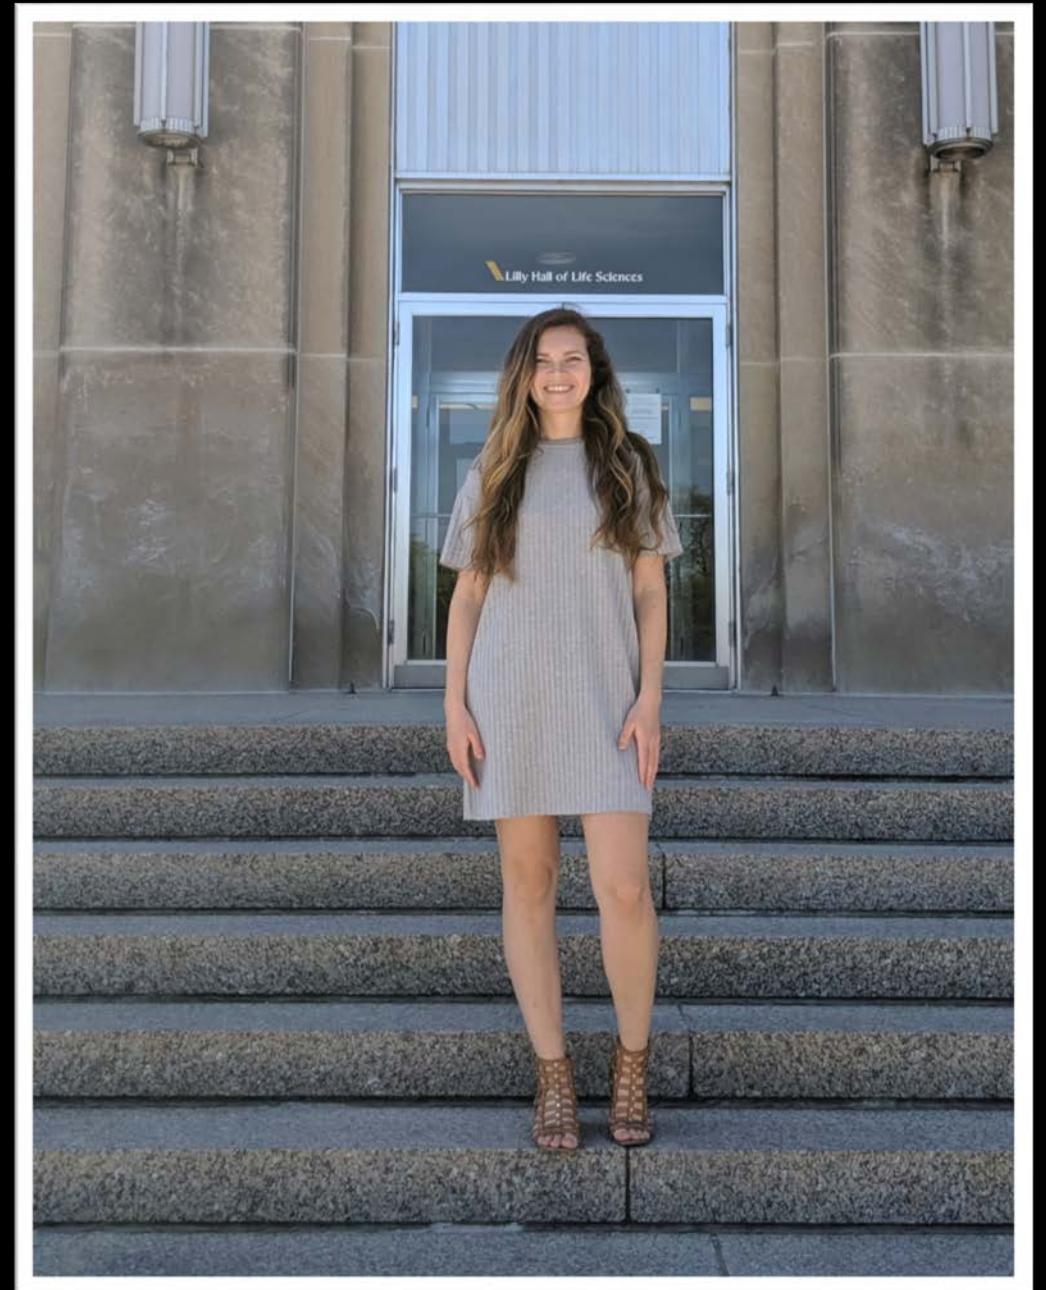

SOPHIA BROWN

AFTER GRADUATION...

I'll be going to the
University of Winnipeg
next fall to get my Masters
in Bioscience, Technology,
and Public Policy.

Department of Biological Sciences

KYLER BARNES PHILLIPS

AFTER GRADUATION...

I will be working in the backcountry in the Appalachian Mountains, providing guidance, resources, and refuge to hikers with the ultimate goal of promoting the enjoyment and appreciation of the outdoors. Following the summer, I am hoping to work for a non-profit environmental conservation organization.

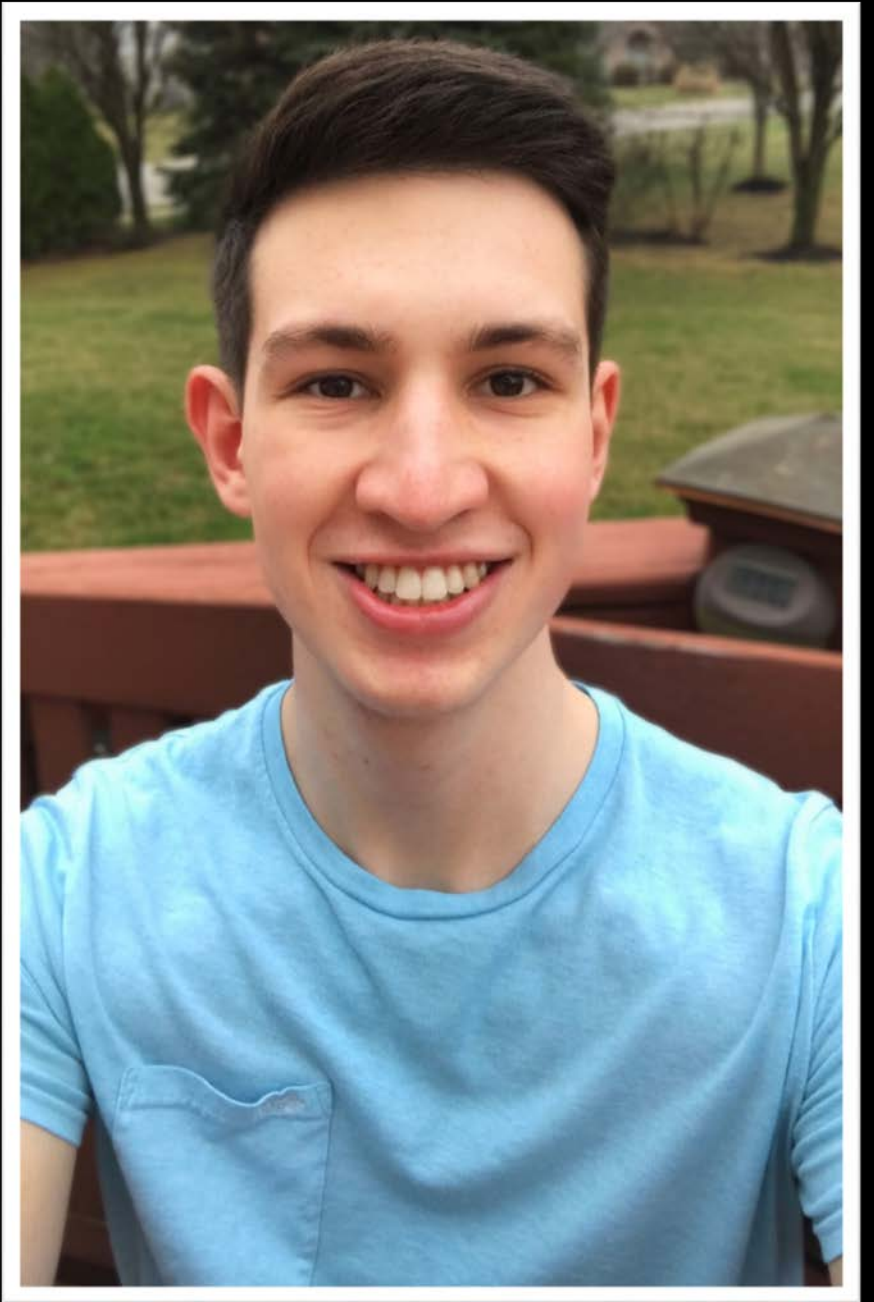

DAVID RIVERA

AFTER GRADUATION...

I'll be pursuing a Master's in
Bioinformatics.

Department of Biological Sciences

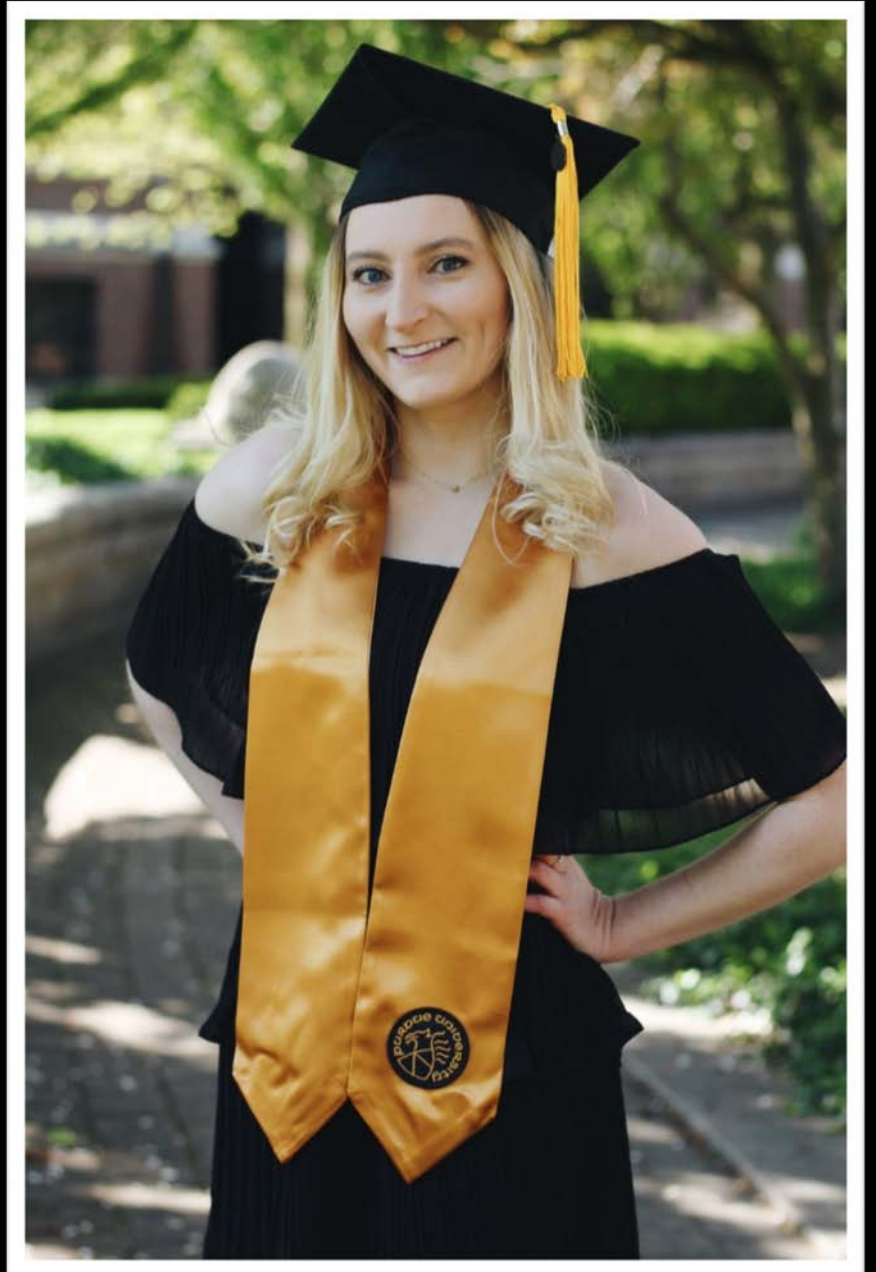

CAITLIN PARKS

AFTER GRADUATION...

I will be attending IU
School of Optometry.
Starting this summer I will
also be working towards
completing a Business
Management Certificate
with the IU Kelley
Program.

Department of Biological Sciences

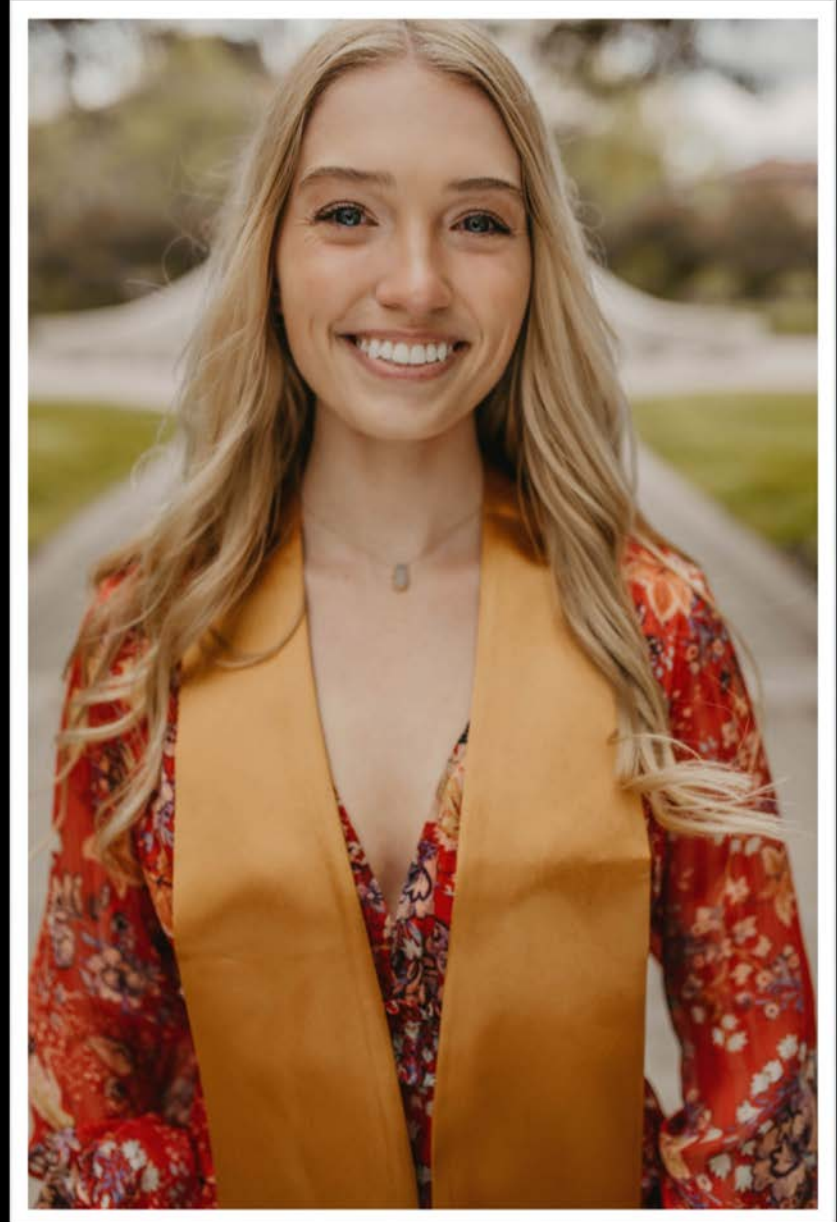

KENDRA KUHLMAN

AFTER GRADUATION...

I will be working as a lab technician at Sextant Winery in Paso Robles, California.

Department of Biological Sciences

YUO CHAN

AFTER GRADUATION...

I will be attending
graduate school at the
Chinese University of
Hong Kong to study
Biomedical Engineering.

Department of Biological Sciences

RYAN CZARNECKI

AFTER GRADUATION...

I will be working as an
EMT and Medical Scribe
for the next year, building
my application for
Physician's Assistant
School in which I'm aiming
to work in the ER.

Department of Biological Sciences

ANERI PATEL

AFTER GRADUATION...

I will be working on attaining clinical hours at a nearby hospital as a medical assistant. I will also be volunteering around the community to give back.

ABIGAEEL GICHABA

AFTER GRADUATION...

I will be applying to
Medical School and
working at a physician's
office as an assistant.

ESTHER KNEPP

AFTER GRADUATION...

This July I'll be moving to
Louisville and starting as
an Area Manager with
Amazon.
