

CONGRATULATIONS

CLASS OF 2021

SCROLL TO MEET OUR GRADUATING SENIORS

Department of Biological Sciences

LAUREN R ROMANCHEK

AFTER GRADUATION...

I will be working full-time as an EMT while pursuing me ASL interpreter's license. Then I will be headed off to Physician's Assistant School. It is my dream to care for Deaf and Hard of Hearing patients entirely in ASL, no interpreter needed.

Department of Biological Sciences

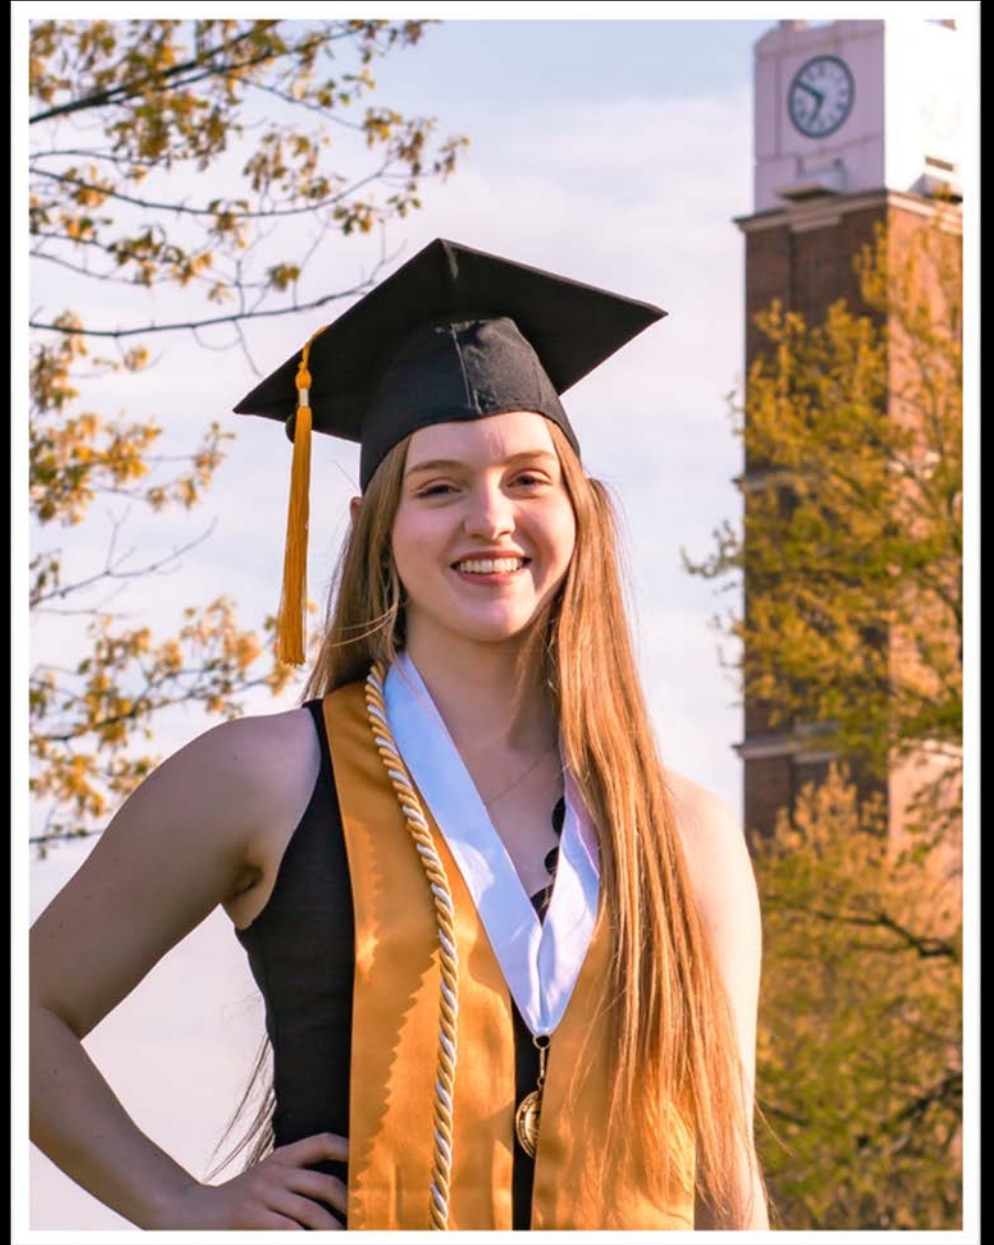

ALISON OLIVIA RICHERT

AFTER GRADUATION...

I am pursuing a Doctorate
of Physical Therapy at
University of Colorado
Anschutz Medical.

Department of Biological Sciences

ALEX HARRIS

AFTER GRADUATION...

I will be moving back home to Atlanta as I pursue a position in a research lab in Ireland.

Department of Biological Sciences

ALYSSA C FLINT

AFTER GRADUATION...

After graduation I am going to be working as a research assistant at IU School of Medicine and Riley Hospital for Children studying Neurofibromatosis Type 1. I will do this for 1-2 years before applying to Medical Scientist Training Programs (MD/PhD) so that I can pursue my goal of becoming a pediatric oncology physician scientist.

Department of Biological Sciences

DANIELLE PAN NEWHOUSE

AFTER GRADUATION...

I will be completing a Medical & Scientifics Affairs internship in Tucson, AZ and will be getting a technician certification or EMT certification to work in a clinical/medical setting. Additionally, I will be applying to medical school.

Department of Biological Sciences

ANNA LIN HALLOWELL

AFTER GRADUATION...

I will be headed to New Haven, CT to start my master's degree in Public Health focusing on Health Policy at Yale University! I am excited to continue my education and apply all that I learned in biology to a Public Health setting.

Department of Biological Sciences

MAIA GABRIELA CLARE

AFTER GRADUATION...

I will be attending the
University of Chicago in the
fall for their Cancer Biology
PhD program.

ABBY NICOLE ANDERSON

AFTER GRADUATION...

My future plans are to pursue genetic counseling by working as a GC assistant and attend a GC graduate program next year.

Department of Biological Sciences

CLAUDIA Y LI

AFTER GRADUATION...

I will be attending the MD program at the IU School of Medicine starting Fall 2021.

Department of Biological Sciences

ALEXIS J MACHA

AFTER GRADUATION...

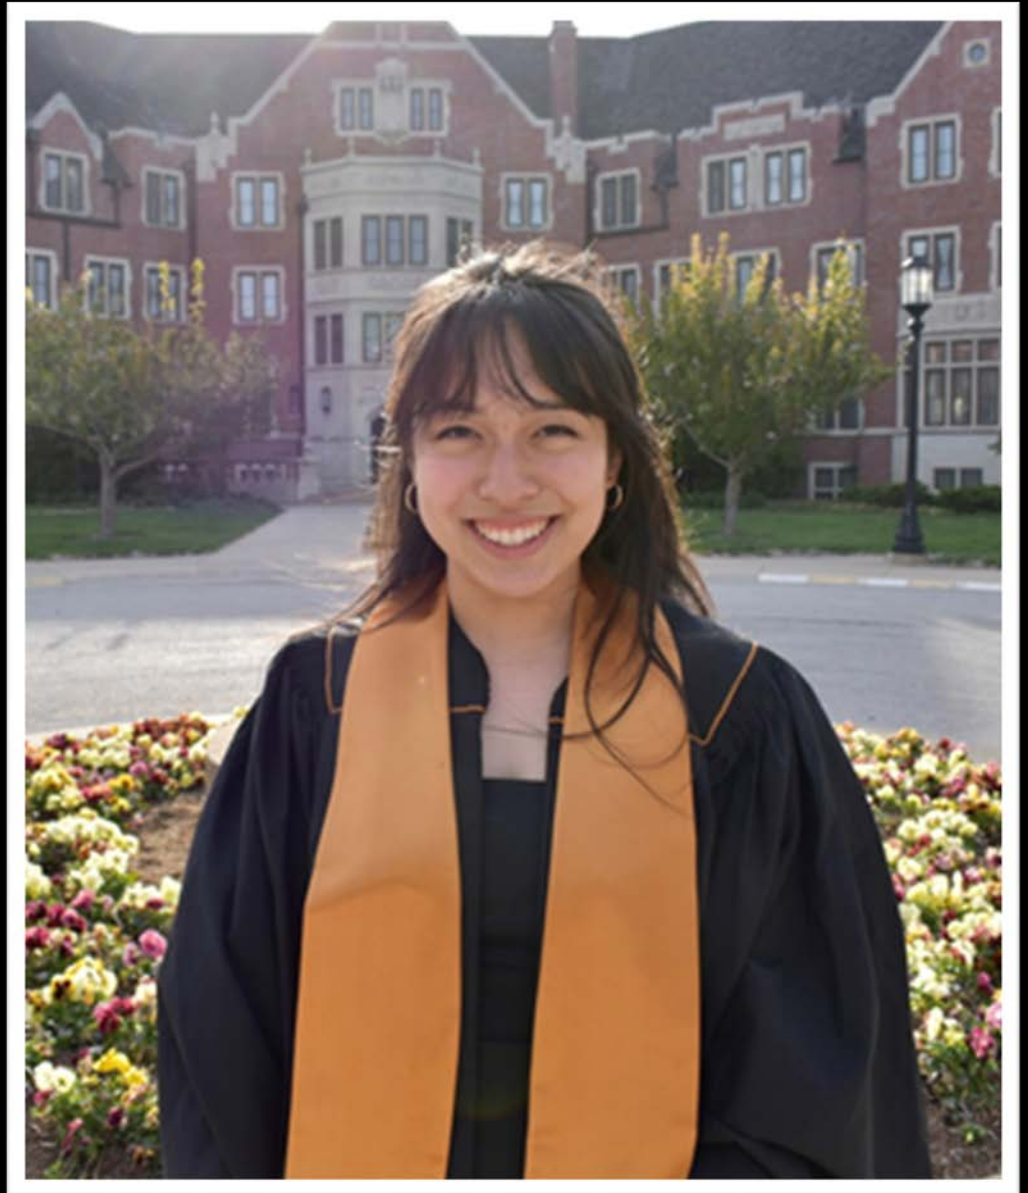

I will be attending IU School
of Medicine in the fall.

ANGELA IRENE AGNEW

AFTER GRADUATION...

I plan to continue my career in research and will be joining the Biochemistry, Molecular, and Structural Biology PhD program at UCLA this coming fall.

RUTH MOBOLUWADU

BAMBO

AFTER GRADUATION...

I will be working as a scribe at the IU Health hospital and attending medical school.

Department of Biological Sciences

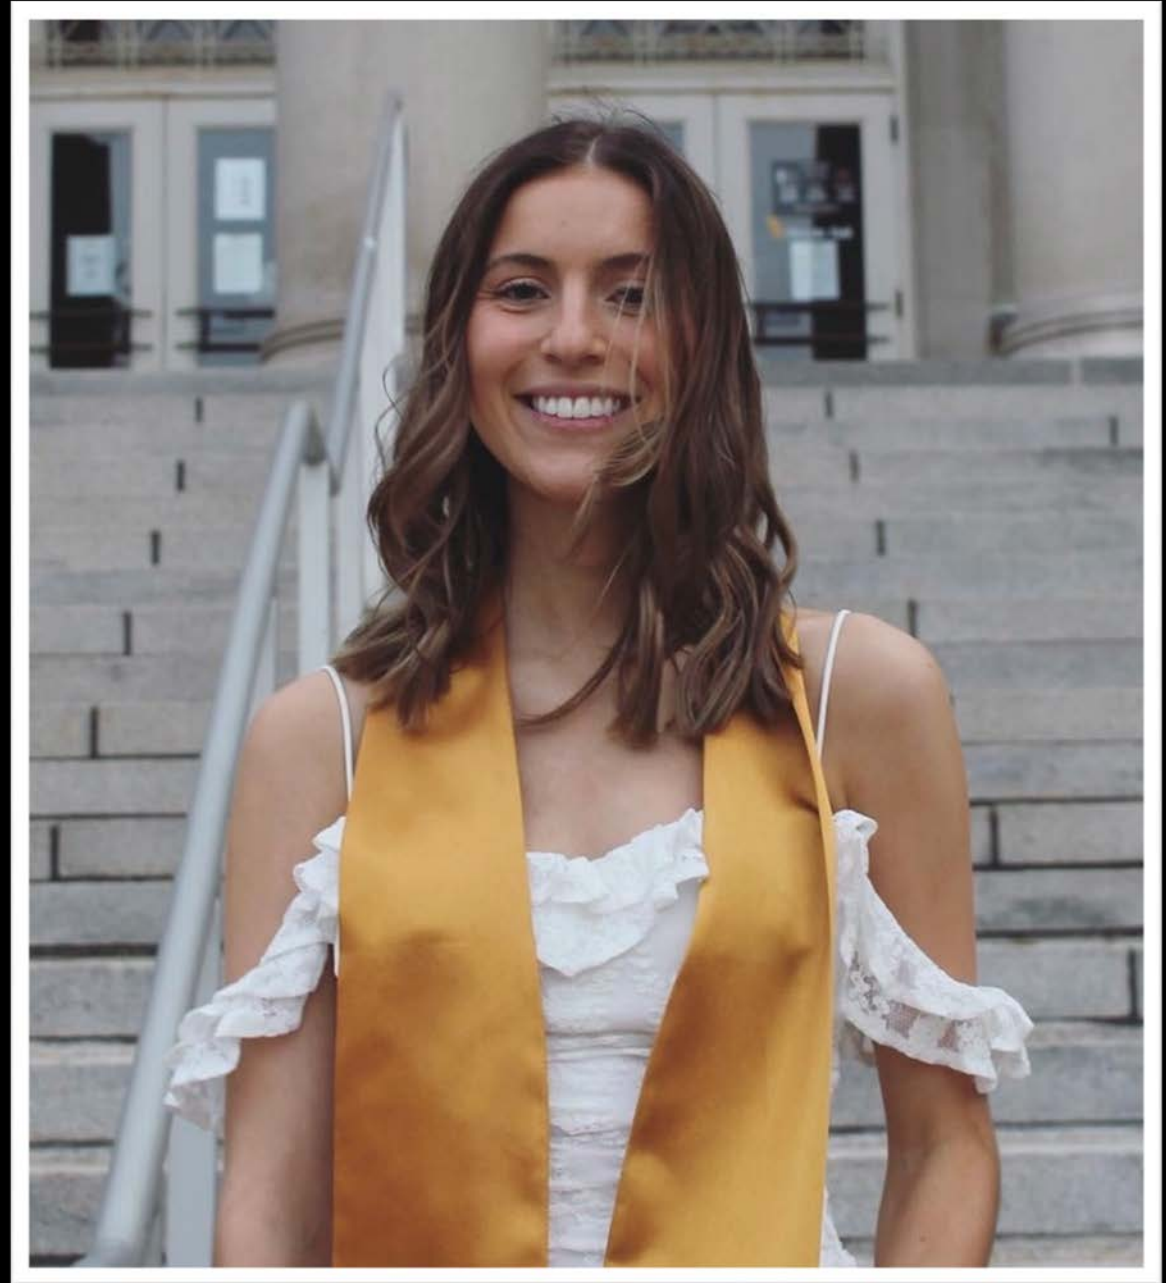

GRACE A BIANCHI

AFTER GRADUATION...

I majored in Biology and after graduation I will be attending UC Santa Barbara in the fall to get my Master in Environmental Science and Management.

Department of Biological Sciences

HANNAH E PLETCHER

AFTER GRADUATION...

I will be starting the
Biochemistry, Biophysics,
& Structural Biology PhD
program at Washington
University in St. Louis.

Department of Biological Sciences

SANDUNYA OBEYESEKERA

AFTER GRADUATION...

I am currently in the process of applying to Medical School and will be working as a Scribe at IU Arnett and as a medical assistant at Abramovitz Internal Medicine clinic.

GABRIELLA FERNANDEZ

AFTER GRADUATION...

I will be attending the
University of Minnesota
School of Veterinary Medicine
where I will study small animal
medicine.

Department of Biological Sciences

SYDNEY TAYLOR

AFTER GRADUATION...

I will be attending Purdue
College of Veterinary
Medicine to obtain my
DVM.

VIGNESH NATHAN

AFTER GRADUATION...

I will be attending Purdue to obtain my master's in food science with a concentration in foods for health.

Department of Biological Sciences

ANNIE F DONG

AFTER GRADUATION...

I plan to attend SUNY-
Optometry in New York.

Department of Biological Sciences

NATALIE MYERS

AFTER GRADUATION...

I will be attending IU
School of Medicine at the
Bloomington campus.

Department of Biological Sciences

HANNAH ROBBINS

AFTER GRADUATION...

I will be working as a small animal surgeon with a company that specializes in small animal models for drug development while applying to vet school.

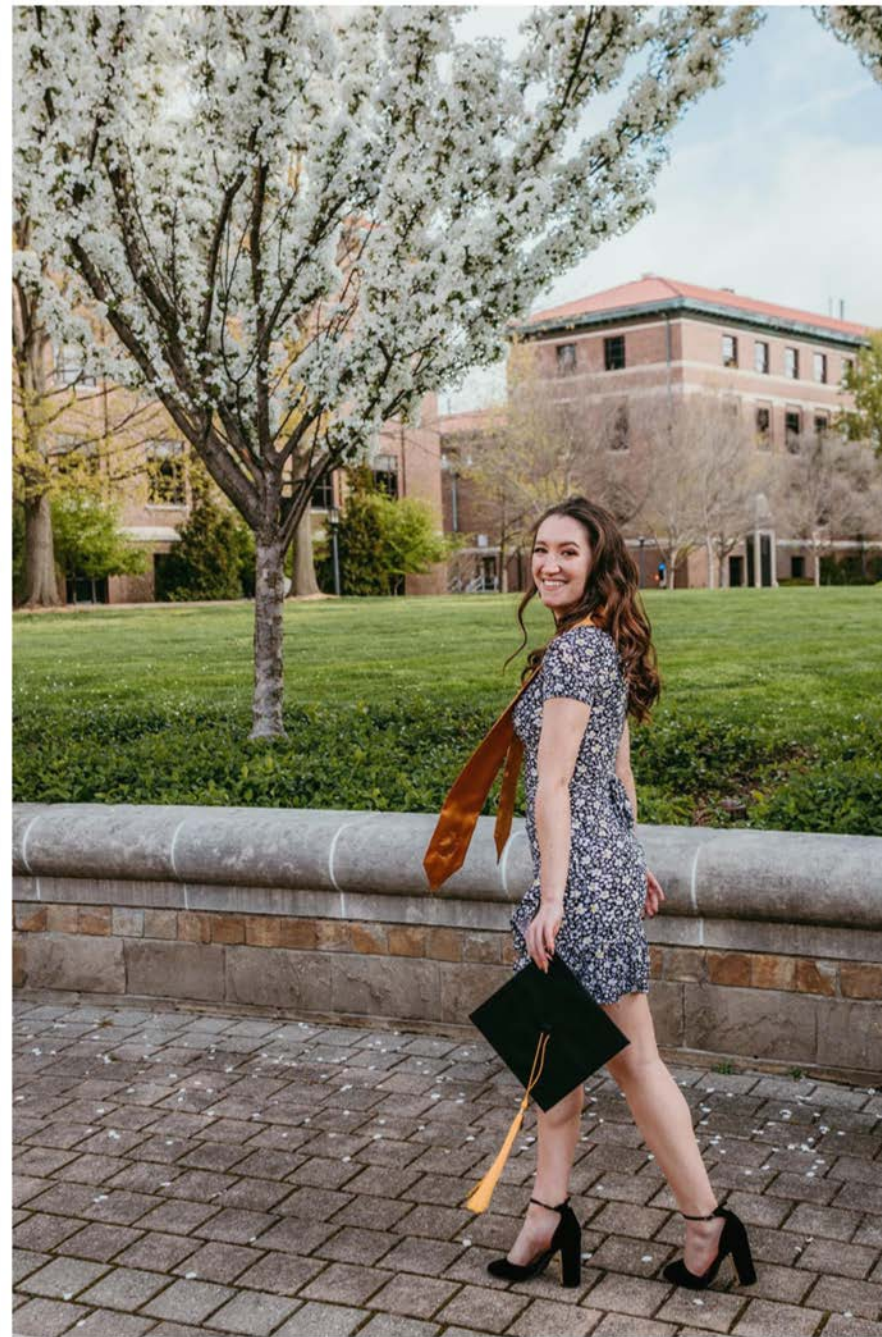

EMMA LOWE

AFTER GRADUATION...

I will be working as a Medical Technologist as IU Arnett Hospital while I complete my applications for PA school.

Department of Biological Sciences

RACHEL STUCKY

AFTER GRADUATION...

I will be attending the
Purdue College of
Veterinary Medicine to
complete my DVM.

Department of Biological Sciences

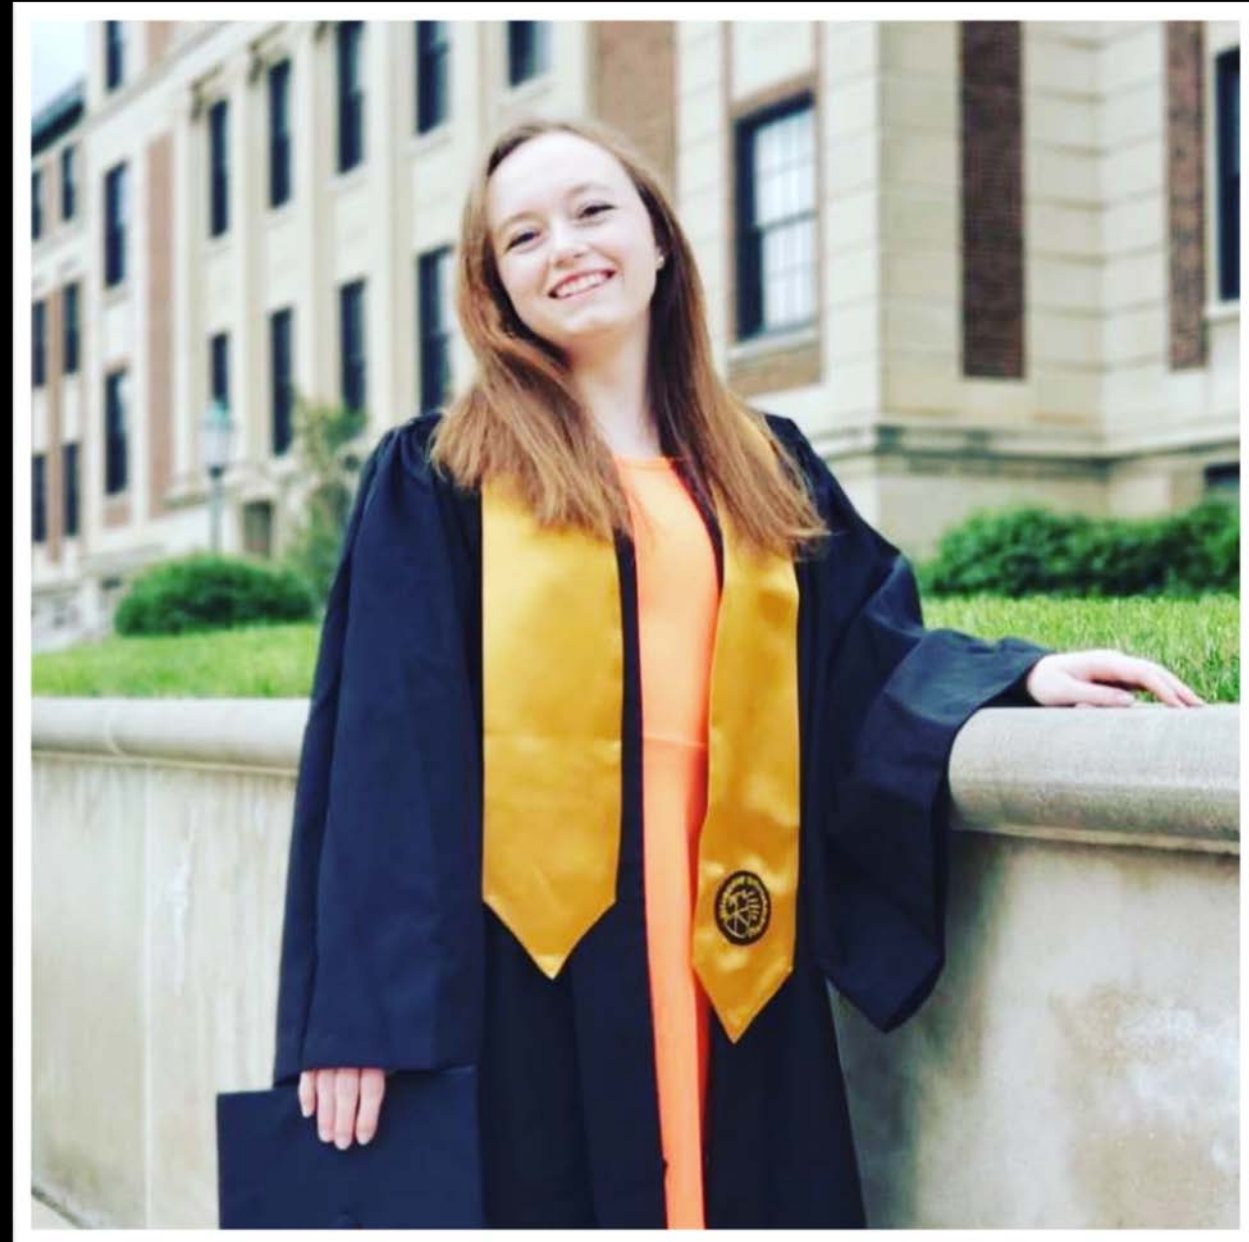

HALEY HAGEMMEIER

AFTER GRADUATION...

I will be attending East Carolina University to complete an M.S. in Biology with a concentration in Environmental and Organismic Biology.

Department of Biological Sciences

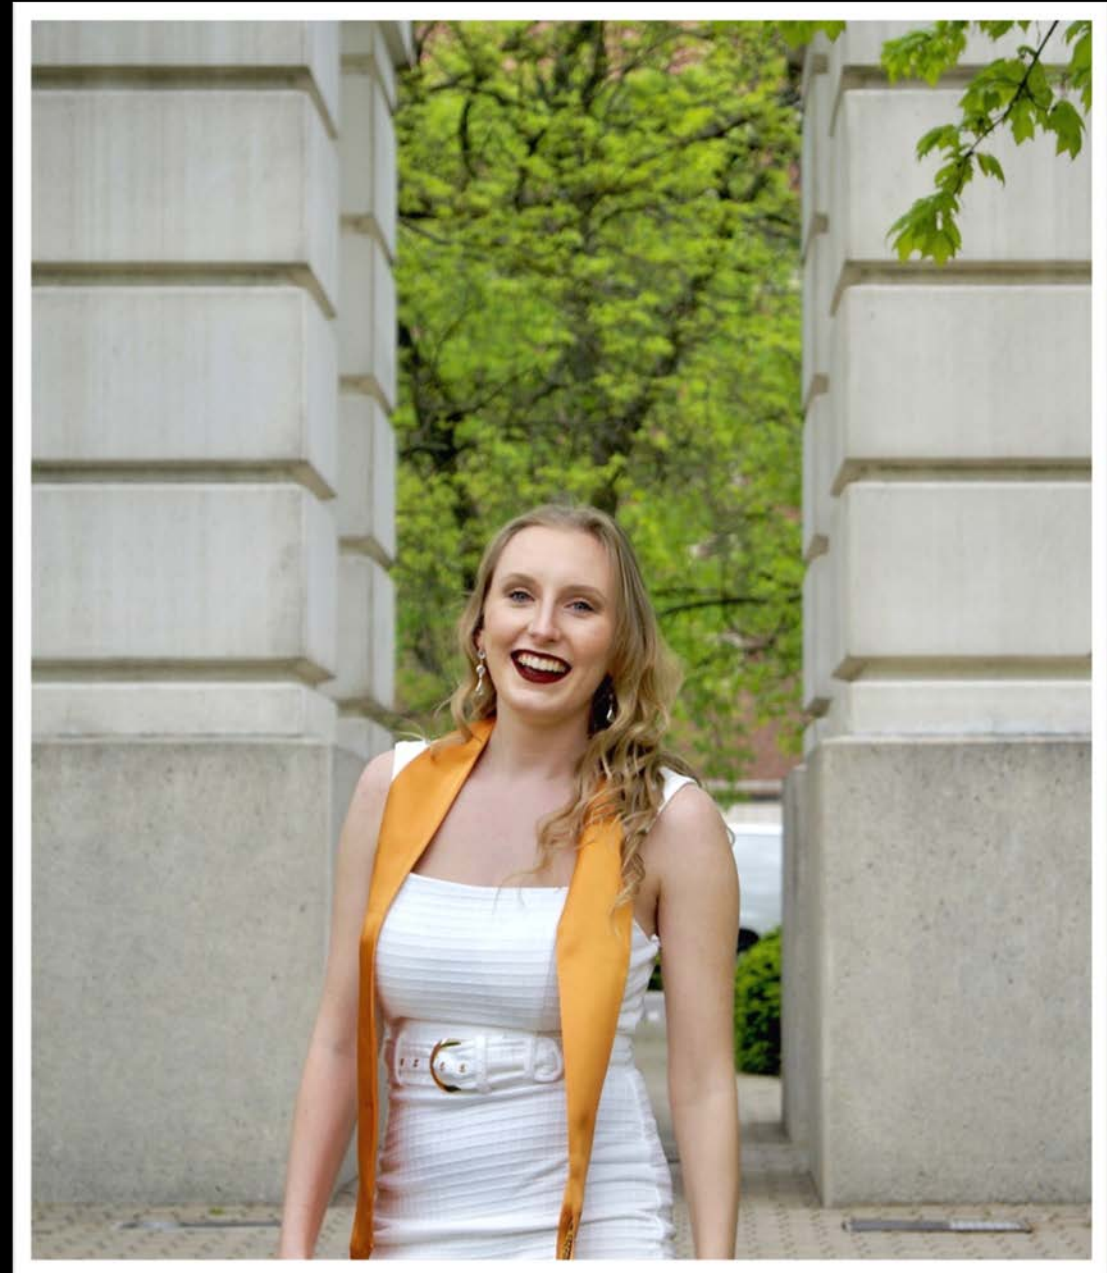

ALEXANDRA STIFFLER

AFTER GRADUATION...

I will be joining the graduate program at the University of Miami where I'll be researching viral ecology in coral reef ecosystems.

Department of Biological Sciences

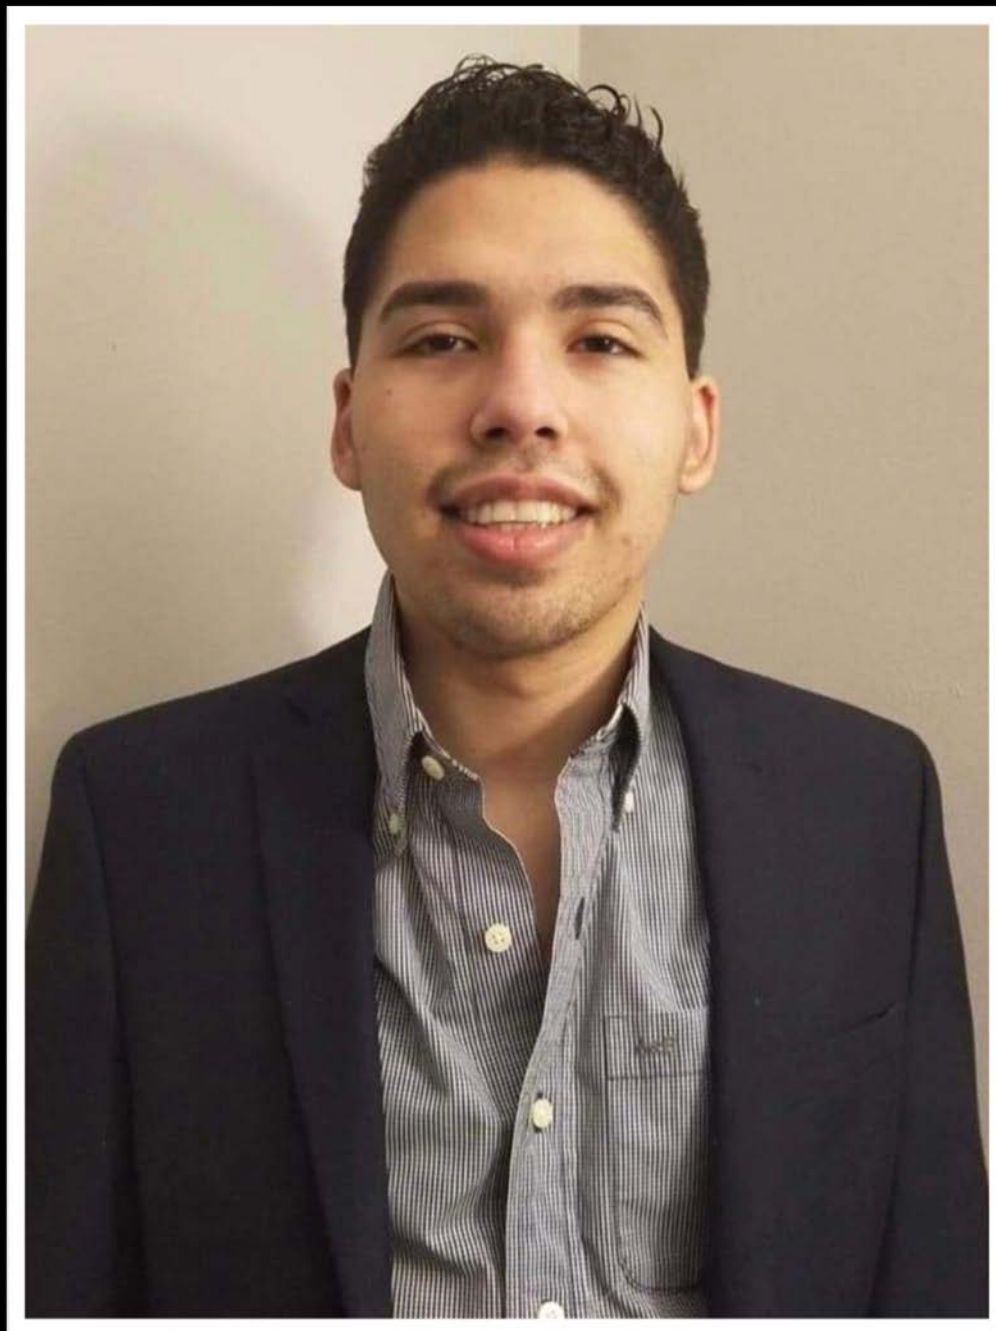

CARLOS EMMANUEL SANTIAGO ESTRADA

AFTER GRADUATION...

I will put into practice everything I have learned at Purdue by working in industry for some time. Next year in 2022 I will return to Purdue to expand my Boilermaker skills by pursuing a PhD in Microbiology and ultimately pursuing a career in research.

Department of Biological Sciences

LINDSEY MEI QIN WILSON

AFTER GRADUATION...

I will be starting my MD/PhD training at the University of Michigan, where I will focus on human genetic diseases.

Department of Biological Sciences

MARGARET VAIL

AFTER GRADUATION...

For the summer, I have an internship with Fernwood Botanical Garden in Michigan. During the school year I'll be a member of the Amate House in Chicago where I will be a teacher in a STEM room for K-8!

Department of Biological Sciences

ABIGAIL GREEN

AFTER GRADUATION...

I have accepted a job at
Community Health
Network in the cardio unit
working as a PCT and will
be applying to medical
school this summer.

Department of Biological Sciences

AMY HOLBROOK

AFTER GRADUATION...

I will be working at
Covance in Greenfield, IN
as an oncology study
technician.

Department of Biological Sciences

ALLISON STEVENS

AFTER GRADUATION...

I will be working at Indiana University's Simon Comprehensive Cancer Center as a Clinical Research.

Department of Biological Sciences

DAWN TILLEY

AFTER GRADUATION...

I will be graduating with a major in biology and a minor in chemistry. In the fall, I will be starting my rotation in Catalent's GOLD Associate Program in Baltimore, MD.

Department of Biological Sciences

ISABELLA PALACIOS

AFTER GRADUATION...

I plan on gaining experience in the fields of forensic science or medicine before applying to medical school.

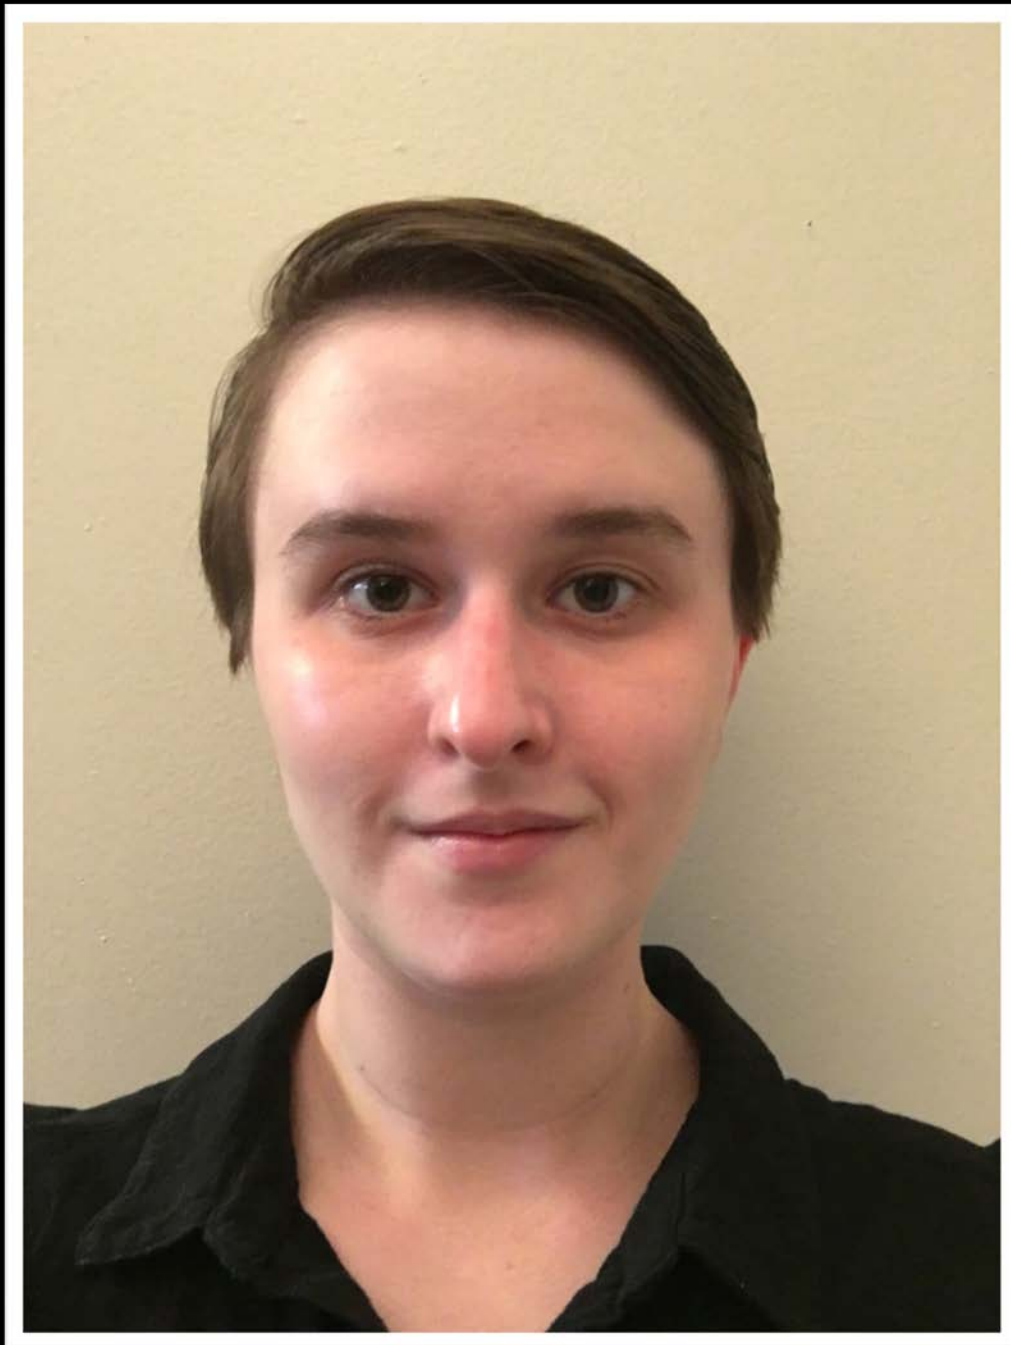

Department of Biological Sciences

KAYLEIGH JENNINGS

AFTER GRADUATION...

I will be continuing my graduate studies through the IU School of Medicine.

MELANIE MARTINEZ

AFTER GRADUATION...

I will be working as a R&D Biologist at Eli Lilly in their RNA Therapeutics division located in Indianapolis.

Department of Biological Sciences

KARIS AUCOIN

AFTER GRADUATION...

I am working at Faith Church as an event coordinator and administrative assistant. I will be organizing conferences and helping people learn about how the Bible can help them in their daily lives.

Department of Biological Sciences

ANJALI BYAPPANAHALLI

AFTER GRADUATION...

I will be working at the National Institutes of Health (NIH) in Maryland as a Post-Baccalaureate researcher before pursuing my M.D./Ph.D. on healthcare disparities
